This announcement is made by Winfull Group Holdings Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on the Stock Exchange (the “**Listing Rules**”) and the Inside Information Provision (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong) (the “**SFO**”).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on a preliminary review of the Group’s unaudited consolidated management accounts for the six months ended 31 December 2017 (the “**Period**”), it is expected that the Group is likely to record a significant increase in net profit for the Period as compared to that of the corresponding period in 2016. The Board considers that such changes are mainly due to:

- (1) an one-off gain derived from the disposal of its 51% equity interest in and all outstanding shareholdings’ loan of Plan Link Limited, which holds a development project at Nos. 142-154 Carpenter Road, Kowloon, Hong Kong, as disclosed in the circular of the Company dated 28 September 2017; and
- (2) the growth in business revenue from the property investment and trading business as a result of the acquisition of a number of new investment properties and a property held for trading during the year ended 30 June 2017 and for the Period.

The Company is still in the process of finalising the results of the Group for the Period. The information contained in this announcement is only a preliminary assessment by management of the Company based on information currently available to the Board, including the Group’s unaudited consolidated management account for the Period, and is not based on any figures or information which have been audited or reviewed by the Company’s auditors.

**Shareholders and potential investors are advised to exercise caution in dealing in the shares of the Company. The interim results of the Company for the Period will be released in due course.**
