**CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF
THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)**

GEM has been established as a market designed to accommodate companies to which a high investment risk may be attached. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. Furthermore, there may be risks arising out of the emerging nature of companies listed on GEM and the business sectors or countries in which the companies operate. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

The principal means of information dissemination on GEM is publication on the Internet website operated by the Stock Exchange. Listed companies are not generally required to issue paid announcements in gazetted newspapers. Accordingly, prospective investors should note that they need to have access to the GEM website in order to obtain up-to-date information on GEM-listed issuers.

PROPOSED GENERAL MANDATES TO ISSUE SHARES AND TO REPURCHASE SHARES

INTRODUCTION

At the AGM, resolutions will be proposed to grant to the Directors general mandates to allot or issue new Shares and to repurchase Shares.

GENERAL MANDATE TO ISSUE SHARES

At the AGM, an ordinary resolution will be proposed in the terms set out in resolution no. 4 of the notice of the AGM whereby if passed, the Directors will be given a general and unconditional mandate to allot or issue new Shares, representing up to 20% of the aggregate nominal amount of the share capital of the Company in issue as at the date of the passing of the resolution. In addition, if the Repurchase Resolution is passed, an ordinary resolution will be proposed in the terms set out in resolution no. 6 of the notice of the AGM whereby if passed, the Directors will be

authorised to allot or issue further Shares up to an amount equal to the aggregate nominal amount of the issued share capital of the Company purchased under the Repurchase Mandate.

GENERAL MANDATE TO REPURCHASE SHARES

At the AGM, the Repurchase Resolution will be proposed that the Directors be granted the Repurchase Mandate. The Repurchase Mandate allows the Company to make purchases only during the period ending on the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the date by which the next annual general meeting of the Company is required to be held by its Articles of Association or any applicable law; or (iii) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company (the "Relevant Period").

As at the Latest Practicable Date, the issued share capital of the Company comprised 400,000,000 Shares. Subject to the passing of the Repurchase Resolution and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company will be allowed to repurchase a maximum of 40,000,000 Shares under the Repurchase Mandate.

An explanatory statement required to be sent to the Shareholders under the GEM Listing Rules is attached herewith to provide the requisite information to you to make an informed decision in relation to the Repurchase Resolution.

ANNUAL GENERAL MEETING

The notice convening the AGM is set out in the Annual Report.

A copy of the Annual Report incorporating copies of the audited consolidated accounts of the Company for the year ended 31 March 2003 and the directors' and the auditors' reports thereon has been despatched to the Shareholders together with this circular.

A form of proxy for the AGM is enclosed with the Annual Report. Whether or not you intend to be present at the AGM, you are requested to complete the form of proxy and return it to the Registrar in accordance with the instructions printed thereon as soon as possible but in any event not less than 48 hours before the time appointed for the holding of the AGM. Completion and return of the form of proxy will not preclude you from attending and voting at the AGM if you so wish.

RECOMMENDATION

The Directors believe that the grant of the general mandate to issue Shares and the Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend the Shareholders to vote in favour of the ordinary resolutions to be proposed at the AGM.

FURTHER INFORMATION

Your attention is drawn to the appendix to this circular containing an explanatory statement as required pursuant to the Rule 13.08 of the GEM Listing Rules.

Yours faithfully,
Ng Pak To, Petto
Chairman

This appendix serves as an explanatory statement as required to be sent to the Shareholders pursuant to Rule 13.08 of the GEM Listing Rules to provide the requisite information to you to make an informed decision in relation to the Repurchase Resolution proposed at the AGM.

SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 400,000,000 Shares.

Subject to the passing of the Repurchase Resolution and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company will be allowed to repurchase a maximum of 40,000,000 Shares, representing 10% of the issued share capital of the Company.

REASON FOR REPURCHASE

The Directors believe that the grant of the Repurchase Mandate is in the best interests of the Company and the Shareholders. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share of the Company.

The Repurchase Mandate will only be exercised when the Directors believe that such repurchase will benefit the Company and the Shareholders.

The Directors have no present intention to repurchase any Shares.

FUNDING OF REPURCHASES

In repurchasing Shares, the Company will only apply funds legally available for such purpose in accordance with its Memorandum and Articles of Association, the laws of the Cayman Islands and the GEM Listing Rules. The Company will not purchase the Shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

There might be a material adverse impact on the working capital or gearing position of the Company as compared with the financial position of the Company as at 31 March 2003 (being the date of its latest published audited consolidated accounts) in the event that the repurchase of Shares were to be carried out in full at any time during the Relevant Period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their associates, have any present intention to sell any Shares to the Company or its subsidiaries under the Repurchase Mandate in the event that it is approved by the Shareholders at the AGM.

No other connected persons (as defined in the GEM Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company or its subsidiaries, or have undertaken not to do so under the Repurchase Mandate in the event that it is approved by the Shareholders at the AGM.

THE HONG KONG CODE ON TAKEOVERS AND MERGERS

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, the following person was interested in 10% or more of the issued share capital of the Company. In the event that the Repurchase Mandate is exercised in full, the interest of such person will be increased to approximately the percentage set out in the last column as follow:

Name of Shareholder	Number of Shares held	Approximate percentage of Shareholding (%)	Approximate percentage of Shareholding if the Repurchase Mandate is exercised in full (%)

Forge Smart Investments Limited	25	25	Mr. Ng Pak To, Petto (100)
	<u>100</u>	<u>100</u>	

The Directors will not repurchase the Shares on GEM if the repurchase would result in the number of the listed securities which are in the hands of the public falling below the relevant minimum prescribed percentage for the Company as required by the Stock Exchange.

The Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchases made under the Repurchase Mandate.

SHARE REPURCHASE MADE BY THE COMPANY

No purchase of Shares has been made by the Company during the period from 21 May, 2002, being the date dealings in the Shares commenced on GEM, to the Latest Practicable Date.
